Subject: Conference call on 903.12

Good Afternoon Julianne,

I have been asked to see if we could put together a conference call to review the reasons to justify the addition of the additional changes to 903.12 to our legislature....we want to make sure that we can explain everything in the amendment to them in the coming days. The amendment was submitted. We would like to have this call either this week or early next week. I know the difficulty in getting everyone together, but if you could propose some dates and times, we will work on getting them to work. It will include Aaron Farmer from our Atty. General's office and Michael Rodgers, our Chief legal counsel and probably staff from our Director's office.

Give me a call if you have questions....

Thanks!
